

# Seamlessly Simple-Photo Guide “Wrap and Turn”

1. Bring yarn to the front of work

2. Slip stitch from left needle to right

3. Move yarn to back of work. You have wrapped the stitch

4. Slip wrapped stitch back to left needle

It now looks like this.....

5. Turn the needles to the opposite hands. You will be looking at the wrong side (purl side) of the work

6. Purl as directed by your instructions

Your work should look like this....

The wrap looks like a purl stitch
